Special Promotions CRR will be offering....

Breast Cancer Risk Assessment Guide

Patients will now have the opportunity to review their risk for Breast Cancer by going to the CRR website and click on "Assess Your Risk of Breast Cancer". The CRR website will bring the user to the National Cancer Institute website where a series of questions will be asked to determine the patient's risk of breast cancer.

CRR now offers On-line Bill Payment

CRR is giving patients the opportunity to pay their bill on line by accessing www.crrnc.com and clicking on the online payment icon. Complete the demographic information and click the "Charge my Card" button and the payment is made.

Mother's Day Promotion

"Give Mom The Gift of Life"

Schedule your mother for a mammogram in May. Door Prizes and Goody bags will be distributed

Administrative Professionals Day

April 22nd is Administrative Professionals Day and CRR wants to extend a sincere "thank-you" to all Administrative Professionals for their hard work and efforts especially when it relates to the patient's imaging requirements. CRR realizes how burdensome it can be and appreciate everyone's willingness to work with us in dealing with the rules and regulations the insurance industry has put upon all of us. Enjoy the Day as it is very well deserved.

Happy Spring!!

Now that Spring is upon us and we are able to spend more time outside doing the things we love, CRR wants to extend a "Happy Spring" to everyone.
